### About DiversiTech

DiversiTech Corporation is North America's largest manufacturer of equipment pads and a leading manufacturer and supplier of components and related products for the heating, ventilating, air conditioning, and refrigeration (HVACR) industry.

Headquartered in the Atlanta, GA metropolitan area, DiversiTech manufactures a suite of products, which includes a wide range of mechanical, electrical, chemical, and structural parts for HVACR systems. The company maintains manufacturing and distribution facilities in key U.S. locations and in the Far East. DiversiTech has enjoyed a continued history of successful growth and has acquired industry-recognized brand names including Wagner Manufacturing and Specialty Chemical.

# CASH AND TOOLS FOR HVAC SERVICE MANAGERS & TECHS!

**D**iversiTech, America's leading provider of HVAC installation parts and accessories wants you!

*We are looking for installers and service companies that "have a clue" to help us generate new products and to improve our existing product line. To participate in the Co-Pilot™ programs, you must be a licensed HVAC contractor, active in system installation and service.*

## HOW THE CO-PILOT™ PROGRAMS WORK\*

### 1. RIDE ALONG PROGRAM

HOW DOES IT WORK? A member of the product development team rides with you or your best techs for up to a day at a time to learn what you want and need and to provide suggestions, answers and training on our products and their application.

WHAT'S IN IT FOR ME? \$100 cash for the service company and \$100 cash for the technician; a DiversiTech "Co-Pilot" Golf Shirt and the Co-Pilot Goodie Kit (Gallo Gun, Wet Switch and NEW Torch-Tamer heat barrier); and automatic entry in the DiversiTech "Cash for Ideas" program.

### 2. PRODUCT TEST PROGRAM

The co-pilot will receive periodic correspondence from DiversiTech containing advance notification of new products, enhancements, or market leading information. The co-pilot will also receive free samples of new DiversiTech products. Continued eligibility is contingent on the co-pilot providing product feedback to DiversiTech.\*\*

---

HOW DO I GET STARTED? Just go to [www.diversitech.com/co-pilot](http://www.diversitech.com/co-pilot) and complete the online entry form.

---

\*Applicant may join one or both programs.  
\*\*Actual participants will be selected based on desired feedback criteria involving type of work, type of job, geography, etc.
