RE: Hurricane Pads and T-Class Hurricane Pads

Dear Keith:

Master Consulting Engineers, Inc. (MCE) provided structural engineering services for the Hurricane Pads and T-Class Hurricane Pads and attachments. The pads are manufactured by DiversiTech. The pads and the connection of air conditioning units to the pads were analyzed in accordance with the Florida Building Code. I hereby certify that the pads and the attachment described in the DiversiTech product literature meet the requirements of the Florida Building Code.

Should you have any questions regarding this subject, please do not hesitate to contact the undersigned.

Sincerely,  
*Master Consulting Engineers, Inc.*
