

## ENVIROPAD™

### EnviroPad™

EnviroPad™ is an injection molded equipment pad created from 100% recycled materials to minimize environmental impact. It does not require any additional equipment for moving and handling. It is resistant to impact, ultra-violet degradation and weathering and will not crack, flake, or warp. EnviroPad™ is virtually impervious to climatic variations. It is drillable to permit installation of refrigerant and electrical lines under and through the pad and to allow equipment to be easily secured to the pad.

CATALOG NO.	DESCRIPTION	ORDER UOM	ORDER MULT.	LIST PRICE
EP2424-2	24" x 24" x 2"	EA	24	\$52.64
EP3030-2	30" x 30" x 2"	EA	24	\$83.28
EP3232-2	32" x 32" x 2"	EA	24	\$86.08
