

The EZ-Mix™ Advantage

2/3 less space, 2/3 less weight
than concentrated liquid coil cleaners.

Not hazardous
to transport or store.

About DiversiTech

DiversiTech Corporation is North America's largest manufacturer of equipment pads and a leading manufacturer and supplier of components and related products for the heating, ventilating, air conditioning, and refrigeration (HVACR) industry.

Headquartered in the Atlanta, GA metropolitan area, DiversiTech manufactures a suite of products, which includes a wide range of mechanical, electrical, chemical, and structural parts for HVACR systems. The company maintains manufacturing and distribution facilities in key U.S. locations and in the Far East. DiversiTech has enjoyed a continued history of successful growth and has acquired industry-recognized brand names including Wagner Manufacturing and Specialty Chemical.

EZ-MIX™ GRANULAR COIL CLEANER™

EZ-Mix™ Granular Coil Cleaner™
is not HAZMAT for storage and
ground transportation.

DIVERSITECH 

Feature

Benefit

Not Hazardous to Transport or Store

In its dry form EZ-Mix™ Granular Coil Cleaner™ will not damage expensive equipment, parts, or tools in the back of the service van. Leaking jugs of concentrated liquid coil cleaner can cause serious and expensive damage to equipment, parts, tools, or homeowner property.

Effective

EZ-Mix™ Blue includes foaming action to remove tough, caked on dirt. Cleans with all the power of liquid concentrates. Most liquid concentrates are compounded from dry ingredients. EZ-Mix™ engineers the dry ingredients so you just add water.

Tough Polymer Jar

Tough polymer jar protects products from punctures unlike paper or foil packages.

- EZ-Mix™ has child resistant safety cap.
- EZ-Mix™ has color coded cap and package.

Lightweight Product, Compact Package

Easier to carry to the roof. Takes one-third the space in the back of the van versus liquid concentrate.

EZ-Mix™ takes 2/3 less space in the service van than conventional concentrated liquid coil cleaners.

EZ-Mix™ weighs 2/3 less than conventional coil cleaners and is much easier to carry around a job site.

Rapidly Dissolves

Granules dissolve much more rapidly and completely than powder coil cleaner product. EZ-Mix™ contains the same unique chelating agents as concentrated liquids that enable rapid dissolve in water of widely varying hardness content. Compatible with all water qualities.

Two products are available:
EZ-Mix™ Green – Catalog No. SCM-834-01
EZ-Mix™ Blue – Catalog No. SCM-833-01
