

TrueStart™ Hot Surface Igniters

TrueStart™ hot surface igniters feature protective, dynamic, and informative packaging. TrueStart™ hot surface igniters are 100% tested and completely reliable. They are compatible with all OEM furnaces.

TrueStart™ hot surface igniters are available as direct replacement for OEM (silicon carbide) or as a universal igniter (silicon carbide or silicon nitride).

Universal hot surface igniters allow a contractor to reduce truck stock and replace hundreds of OEM igniters with just one SKU.
